

Middle School Electives: 2017-2018 School Year

Student Name: _____ Grade _____ Date _____

Please complete & return this form to the office by June 9th.

All middle school students have a standard schedule, with the exception of the 7th and 8th periods of the day, when they can choose electives. The Spanish elective will continue to be held one period each week however, it is held during 1st – 6th periods.

Student Requirements

- All middle school students are required to select two fine arts periods and one physical education period. The fine arts being offered are Band, Chorus, Visual Art, and Theater. Band is held twice a week, so a student participating in band will have that count for both fine arts requirements. All other fine arts are one period each. Students in 6th grade are encouraged to take Art I, 7th grade Art II, and 8th grade Art III. However, if a student has trouble fitting a particular Art class in their schedule they may select another Art class. Students participating in a sport can have one season of a sport count as their Physical education requirement. Please note, if you become injured at any time during the season, attendance at all practices/games is mandatory to receive credit for the class.

The following is a schedule of Middle school electives next year. Please indicate which electives you are interested in taking. A final schedule will be created based on the level of student interest.

Please check 2 or more Fine Arts selections below.	Please check one or more Phys. Ed selections.
Band (Counts as 2) Art Chorus Theater	Boys Phys. Ed Girls Phys. Ed Karate Sport: (check sports you plan on playing) <u>Boys</u> <u>Girls</u> Soccer Field Hockey Basketball Volleyball Wrestling Basketball Baseball Softball

Clubs

Clubs will be offered next year and will vary each marking period. Students may participate in the quarterly clubs during periods they have a scheduled study hall if they are academically eligible.
