

## **Winterim College Visit Information**

(For Juniors and Seniors)

Scheduling college visits during Winterim is a wonderful opportunity for our juniors and seniors to visit colleges and universities they are interested in possibly attending. The following are guidelines and expectations for electing to visit colleges during the week of Winterim.

- Students are to visit a minimum of five colleges throughout the week with an adult chaperone.
- It is expected that during each college visit you are meeting with a college representative as well as touring the campus.
- Time dedicated to college visitations, scholarship research, completing and submitting applications, etc. needs to minimally be the same as the hours of the West-Mont school day (8:00 - 3:00, 35 hours) for the week.
- A Winterim College Visit Plan must be submitted by December 20<sup>th</sup>.
- Students must complete a written journal of their experience for the week writing a minimum of one page on reflecting on their tour of the campus, meeting with the college representative, as well as findings on the strength of the program at the college they are interested in pursuing.
- Students will also be required to complete a visual presentation in the form of a Power Point or posterboard reflection of their experience for the week.
- You will receive a pass/fail grade just as you do for taking classes. Your grade will be based on your Winterim College Visit Plan, your daily journal, and your Power Point or Poster Project reflecting your experience daily journal. The journal and Power Point/posterboard are due on or before March 16<sup>th</sup>.
