Dear West-Mont Family,

Please remember that your lunch account can be pre-paid by going to your Renweb account and loading the desired amount of funds. Renweb can be accessed through our website by clicking on the icon on the bottom left of the home page. Once in Renweb, follow these steps to pre-pay your account:

- Click on “Family Information”
- Click on “Family Billing”
- Look for the “Lunch” account line
- Select “Pay Now”
- Proceed with the payment process (note that a negative balance indicates a credit)

If you prefer to send cash or checks into the school, we ask that you send the funds in advance, by the week or month, if at all possible. Please remember to place funds in an envelope and have it carefully marked as to which account and/or student(s) should be credited the monies. Thank you in advance for your help with this process.

Many Blessings,

The Advancement Department
