

High School Information

Students entering 11th grade are required to have a physical exam. This is a state requirement. Please physical forms by the first day of school.

Student class schedules will be posted on RenWeb in August. Please contact our Academic Advisor Beth Wisler at Beth.wisler@west-mont.org with any scheduling questions.

Required gym/practice uniforms will be available in August. Gym shorts are \$15. Gym shirts are \$13 for 1, \$24 for 2 or \$36 for 3. Purchase from Mrs. Pettis in the MS/HS Office.

All West-Mont Algebra II, Trigonometry, and Calculus students are required to have the same calculator to help with math applications in the classroom. The required models are the TI-83, TI-83 PLUS, TI-84 or TI-84 PLUS. (TI stands for Texas Instruments.) These four calculators are basically identical except for one minor application. The TI-83 is no longer sold new, but can be picked up used on eBay. These calculators normally go on sale in late July or August at local national chain stores.

Geometry Students will need a scientific calculator, but do not have to have the expensive TI-83 or TI-84. A good typical brand is a TI-30X that normally sells for about \$15. If they have a TI-83 PLUS or TI-84 they are welcome to use it in class.

Don't forget about Summer Reading! Reading lists and requirements are listed by grade [here](#).

Supplies needed for high school – NIV Bible, notebooks for note taking, folders or binder to organize notes/handouts, pens, pencils, highlighters, lined notecards, loose leaf notebook paper, book covers for textbooks, and three tissue boxes to Mrs. Pettis.

Summer fall Varsity sports practices will begin on August 10, times to be determined.

Summer office hours are Monday through Thursday 9 AM to 2:30 PM.
Have a wonderful summer!
